

# MSMA DISTINGUISHED SERVICE AWARD

MSMA's Distinguished Service Award is an annual award established to recognize any member in good standing, who has made significant contributions towards the advancement and enrichment of either their local MSMA chapter or the national association. **This award requires a minimum of 10 years involvement with MSMA and the mailing industry.**

The Distinguished Service Award recognizes an individual's extraordinary efforts throughout their alliance with MSMA and focuses on leadership and dedication by encouraging others to share their experience and knowledge. Consideration for this award centers on current activities and accomplishments, however all previous accomplishments will be taken into account. The winner of this award will receive a plaque and will receive a lifetime membership in MSMA. This award is presented at the Annual MAILCOM Conference. The Distinguished Service Award symbolizes a member's unyielding commitment and belief to the advancement of professional Mail Systems Management. Any MSMA member can make nominations for this award for any other member, or they may self-nominate.

For consideration, all applications must be fully completed using the following application. All nominations should be submitted directly to the National Board of Directors - Awards Committee.
